

# VITAMIN C PROGRAMME

- Do you want to invest in your academic career?
- Do you know how you compare with your peers in South Africa?
- Do you know that an NRF rating is a major achievement?
- Do you know Wits has 434 rated researchers?
- The Research Office has a special programme to encourage researchers to apply for an NRF rating – called the Vitamin C programme.

The Research Office will host **WORKSHOPS** to help researchers prepare good applications
